DR. MARTIN'S Compound Syrup of Wild Cherry. THIS Compand is one of the best remedies ever offered to the public in Coughs, whether arising from Colds, or the Whoeping Cough, of that dreadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The or options are every day receiving orders for it at a distance, and in this my, in which they have been highly gratified to learn its good effects. The Bishop of the Protestant Episcopal Church of Maryland, the Rt. Rev. W. R. Whitingham,) has authorized us to say he has used it in his own person with decided benefit; and our medical friends do not scrupie to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met with. The following is from a highly respectable Physician on Kent Island, whom we made acquainted with the preparation;

Kent Island, (Md) June 22, 1847.

Dr. Martin-Dear Sir :- Since my return home, I prescribed your Syrup of Wild Cherry in several cases; one in particular, a case of Asthma of long standing, (about 21 years,) a neighbor and patient of toine. Her disease has never been benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night's jest for a long time, but since she commenced taking your medicine (and she has only taken one bottle.) she is enabled to go to bed and sleep well all night. I think the medicine will make a perfect cure of her, and she is determined to give it a fair trial. Her husband Mr. Rhoderick Eatickson, is a merchant here, and says if you will send me some of it, he will act as your agent.
